APD Alerts Residents of Overnight Residential House Breaks

In recent weeks Arlington Police have responded to a growing number of residential “overnight” (12 a.m. – 5 a.m.) house breaks in the northwest section of Town. A majority of these incidents involved unlocked homes. The APD is working to solve these crimes and prevent future incidents. APD also urges residents to keep their homes locked at all times. If you observe suspicious activity during these times, please call 911 immediately. If you have information regarding any of these past crimes please contact the Arlington Police Criminal Investigation Bureau at 781-316-3938. You can view a map of the area these incidents have been reported below.
